Dedication

The graduating class of 1980 proudly dedicates our yearbook to Mr. Isom Sargent who entered Sumner the same year we did. Through the four years, Isom has spent a considerable amount of his time with the students acting in their behalf. As we graduate and leave Sumner, memories of certain events will stay with us. Some of those might be geometry class, trigonometry class, or watching our track and basketball coach go to work. As the class of 1980 graduates, so does Isom Sargent.

Appreciation

The graduating class of 1980 would like to give their appreciation to Miss Louise Paradis. Through the years, she has shown not only a great interest in girl athletics at Sumner, but in all students. Her time, energy and enthusiasm will be remembered for many years.

In Memory of

Roger Emery Walker

Death is a sad loss,
Whether it's a friend, relative, or son . . .
But it's not a loss as such;
For even though he is not here with us physically,
He is with us in spirit.

We all remember him as a friend,
Who was always ready to help anyone,
Who needed his help.
Roger was a dear friend to us all;
Closer to some than others,
But we still loved him.

To us, it doesn't seem right to take someone,
Who is so special . . .
Why can't it be someone,
That doesn't care about anyone or anything.

Since, we are not the ones who judge,
Who is to stay and who is to be taken,
We must accept the ways of life.

In all these words,
We want you to know,
You are still thought of and loved . . .
